Syracuse University
What are CUSE Grants?

• **Support** faculty research and various forms of scholarly activities in all disciplines.

• **Expected** outcomes include pursuit of extramural funding and the production of significant scholarly products.

• 59 projects funded across the sciences, humanities and creative research areas (2020 results):
  - Seed Grants ($5k): 18 funded
  - Innovative & Interdisciplinary Research ($30K max): 32 funded
  - Good to Great Grant ($30k max): 2 funded
  - Interdisciplinary Seminar Grant ($10k max): 7 funded
5 programs within CUSE Grants

1. Seed Grant
2. Innovative and Interdisciplinary Research Grant
3. Good to Great Grant
4. Interdisciplinary Seminar Grant
5. COVID-Relief Grant (NEW FOR 2021)

For all programs:

• Individuals & teams eligible to apply. To be competitive, individual applications must demonstrate innovative nature of work, and team applications must be interdisciplinary.
• 2-year project periods
### Seed Grant:
- New or small-scale projects
- Funding capped at $5,000
- 3 pg. Project Narrative
- Budget Justification and Current & Pending forms not required
- Has supported exhibition research and planning activities, special materials and equipment, travel to conduct observations of research sites

### Interdisciplinary Seminar Grant:
- For seminar or workshop series (e.g. refreshments, space rental, travel and/or honoraria invited speakers)
- Funding capped at $7,500
- 3 pg. Project Narrative
- Current & Pending not required
- Has supported interdisciplinary symposia
**Innovative and Interdisciplinary Research Grant (I^2):**

- Demonstrate current & future success
- Funding capped at **$30,000**
- 6 pg. Project Narrative
- New this year: Equipment up to $10k
- Has supported graduate and undergraduate student support, faculty salary, special software licenses, prototype research and development

**Good to Great Grant:**

- PI must have submitted unsuccessful (not funded) extramural proposal which received “Outstanding” or equivalent reviews
- Funding capped at **$30,000**
- 6 pg. Project Narrative
- Need School/College’s Associate Dean for Research (ADR) Statement of Support
COVID-Relief Grant

• **COVID-Relief Grant** characteristics:
  - Funding is capped at **$15,000**, per application
    - Funding request must be justified as proportional to the size and scope of the impacted research project
  - Applications support individuals or teams
  - Designed to fund the continuation or completion of an ongoing research project that has slowed or stalled due to impacts from the COVID-19 pandemic
  - Project Narrative section is 3 pages
Proposal Formatting

A. Font 11 points+, Arial, Calibri, Times New Roman or Computer Modern. Other font faces/sizes may be used for formulas, equations, figures, tables, captions but text must still be readable

B. Single-spaced 8.5” x 11” pages, 1” margins all sides (except budget, current & pending, and conflict of interest documents)

C. Each section uploaded as single PDF document, naming convention last name + proposal component, ex. “PL_LastName_ProjectNarrative.pdf”

Compliance with proposal formatting guidelines is important!

Questions on contents, formatting, or preparation of any documents? Sign up for office hours: Wed., February 10th, 17th and 24th 8:30-4:30

Project Narrative (Upload)

• Conform to formatting requirements & observe page limits for CUSE grant program to which you are applying
• Each Project Narrative should include:
  – Introduction and Key Personnel*
  – Rationale, Significance, and Broader Impact
  – Approach
  – Intent to leverage CUSE funding
• *Note*: Avoid excessive jargon in proposal narratives, as reviewers may not be experts in your specific area
• 3-6 pages max, depending on program type
Intent to Leverage CUSE funding (subsection of narrative)

• Discuss how **you will** leverage CUSE funding to pursue extramural funding sources
  ▪ List funding agencies & specific programs you will apply for & how CUSE funding will be impactful

• And/or demonstrate how you will show impact from this grant external to SU
  ▪ For disciplines where external funding is limited, describe how CUSE grant will enable you to leverage success to enhance the reputation of the University, through increased competitiveness for prestigious awards, creation of significant new scholarship, or through creation of unique educational programs or collaborations. Be specific!

• COVID-Relief applications: Use this section to discuss why funding is needed
  ▪ Detail how CUSE funding will move the stalled project forward, and
  ▪ What progress will be enabled that would otherwise not be possible without relief funding.
Results from Prior CUSE Grant (Upload)

Only for lead PIs who previously received a CUSE Grant (2 pages max)

• Include detailed description of how you leveraged previous CUSE Grant to secure extramural funding and/or enhance reputation of University

• Information on results from prior funding should include:
  – Year, title and amount of the previous CUSE Grant
  – Proposals submitted and/or awards received, including titles, amounts and funders (please do not list Syracuse University intramural grants)
  – List of publications, patents or other significant research outputs
  – Description of relevant meetings, seminars, or presentations conducted

• If not applicable, do not upload a document in this section.
References Cited (Upload)

• This section lists all work cited in the text
• References must be complete, including titles and all co-author names in a professional style appropriate to the primary discipline
• No Page Limit
Response to Previous Review (Upload)

Only for projects previously unsuccessfully submitted for funding

• **Response to Previous CUSE Review** - (1 page max)
  – Required for all previously submitted Seed, I2, or Seminar proposals
  – Respond to review panel summary and include how project has changed

• **Response to Extramural Reviews** - (4 pages max)
  – Required for G2G proposals only. Include:
    1) The PIs response to extramural grant reviews, including how the G2G proposal will help make a subsequent extramural submission more competitive
    2) A statement of assessment of the competitiveness of the G2G application from the Associate Dean for Research of the college/school
    3) A copy of the external agency review (not subject to page limitations for this section) - compile these three documents into one PDF attachment

• *If not applicable, do not upload a document in this section*
Budget (Upload) - Allowable Costs

• Utilize [CUSE Grant Budget Template](#) provided on the CUSE Grants web page
  - *Questions?* Your department budget administrator and the Research Administrator in the Office of Sponsored Programs assigned to your discipline are available to assist with developing your budget!

• Funds can be requested for the following allowable costs:
  - Salaries & Wages for PIs and Co-I’s - limited to one (1) month
  - Other Salaries & Wages - For I2 & G2G grants, allowable for postdocs, students, and essential staff. “The CUSE Grant program recognizes the importance of graduate and undergraduate training and strongly encourages the PI to involve graduate and undergraduate students in CUSE Grant activities.”
  - Fringe Benefits - budget template automatically assigns Fringe
  - Equipment - total is limited to $10,000 I2 and G2G*
  - Travel - Must be directly related to CUSE grant project activities
  - Other Direct Costs - Materials & Supplies (ex. meeting supplies, books), Consultant Costs (limit 25% of budget), Purchased Services (ex. transcription or translation costs), Rental of Off-site Facilities, Human Subject payments, and other relevant costs (ex. archive fees, food & beverages for all-day workshops). Event costs for any CUSE funded project should include ASL Interpreting/CART Services fees as appropriate

*Denotes change from 2020
Budget - Unallowable Costs

• The following items are unallowable costs on a CUSE grant:
  – Subcontracts to external institutions
  – Office Supplies
  – Cell Phones/Internet service
  – Memberships/subscriptions
  – Computer peripherals, software, iPads and computers*
  – Indirect costs

• *Project-specific software package(s) and/or computer purchases may be allowed if:
  (1) Predominately used for the project
  (2) The work proposed cannot be completed without the item(s)
  (3) A highly detailed justification is provided
Budget Justification (Upload)

• A narrative justification to the items requested in your Project Budget
• An opportunity to thoroughly explain what budget allocations are needed and why they are important to complete the goals and objectives of your project
• Not required for Seed Grant applications
• A budget justification template is provided on the CUSE Grants web page
• 3 pages max
Biographical Sketch (Upload)

• Provide a biographical sketch in any extramural agency format (e.g. NIH, NSF, DOD) for PI, Co-PIs and Co-Is, limited to academic & research credentials

• If not using extramural agency format, include:
  – Brief summary of investigator’s qualifications for proposed project
  – Brief summary of teaching, scholarship, and research expertise
  – Education history (degrees) and relevant employment history
  – Relevant honors and awards (limit to five)
  – Relevant products, including: Peer reviewed publications, books, book chapters, or other academic/artistic outputs consistent w/discipline, such as scores, films, productions, performances or artworks.

• Do not list meetings attended, seminars given, personal data

• For Seed & Seminar Grants (which do not require the submission of a Current and Pending Support document) you may include a list of grants received or funding applications in process

• 5 pages max, templates provided on the CUSE Grants web page
Current and Pending Support (Upload)

• Utilize the Current and Pending form provided on the CUSE Grants web page to provide a listing of all proposals that are Pending, Awarded, or Planned for Submission.

• The form is required for the PI of the CUSE Grant only

• Not required for Seed and Seminar Grant applications

• No page limitation
Conflict of Interest Form (Upload)

• A.k.a. Collaborators and Other Affiliations
• Utilize COI form provided on the CUSE Grants web page
• Required for the PI and all Co-PIs, but not for other project personnel.
• Intended to minimize potential conflicts of interest in the review process
• Include the following:
  – Syracuse University co-authors on publications within the past three (3) years, including pending publications and submissions;
  – Syracuse University collaborators on projects within the past three (3) years, including current and planned collaborations; and
  – All Syracuse University thesis or postdoctoral advisees/advisors.
Review Process
1st Stage Screening

• 1st level screening will consist of checking margins, page limits, font sizes, line spacing, and inclusion of required sections, etc.
• Program specific items will be checked (e.g. external reviews for G2G)
• Compliant proposals will then be prepared for distribution to review panels
Merit Review Process

• Review panel
  ▪ SU faculty with extramural grant experience and former CUSE recipients
  ▪ Goal of representing expertise across disciplinary and research areas

• Evaluation Criteria
  ▪ Overall merit (25%)
  ▪ Potential success for extramural funding, enhanced reputation & compliance with reporting requirements (25%)
  ▪ Significance of project and alignment with CUSE Program priorities, current and future research trends, extramural funding priorities, or with national and international awards for recognition (25%)
  ▪ Qualifications of project personnel and adequacy of facilities and resources (25%)

• Reviewers will sort proposals into categories
  ▪ Excellent -- Very Good -- Good -- Fair -- Poor

• Funding decisions based on evaluation rankings & availability of funds
CUSE Review Process - 2020

- 13 review teams formed, with 3 reviewers per application
- Alternate reviewers were brought on to minimize COIs
- Reviewers were asked to complete non-disclosure agreements to maintain confidentiality
- Expertise of review teams were matched with proposals to the degree reasonable/practicable
- Each review team assigned between 3-11 proposals to review/score
- Teams were multi-disciplinary, with lead reviewer assignments made with intent of most closely aligning expertise to proposals
CUSE Grant Submission

• Must be submitted by 5:00 pm March 1, 2021
• Early submission strongly encouraged!
• Submit electronically to the Syracuse University Application Portal
• An email acknowledgment of receipt will be sent once the CUSE grant application is received
